Many thanks for your letter of January 14. You are free to use the piece any time you want or not to use it as you see fit but don't bother about the \$50 guarantee as I make it a practice not to accept any remuneration for anything I write while I am in my present job.

Dear Allen,

I was delighted to receive your favorite quotation for our "Meaning" series. We are starting to work on possible ways to present it on our Page 2 and in the meantime, I will put through our \$50 guarantee payment for it, we'll let you know further developments.

Thanks so much for your prompt response and all my best, as always.

Sincerely,

Bill
